INFORMATION ON THE CREDIT RISK RELATING TO THE NEW LOAN

The making of the New Loan is collateralised. The collaterals provided by the Borrowers for the New Loan are sufficient based on the value of the mortgaged properties for the Loan determined by an independent valuer.

The advance in respect of the New Loan is also made on the basis of the Group's credit assessments made with reference to the facts that (i) the collaterals provided by the Borrowers are at the prime sites in Hong Kong; (ii) Customer AC is a repeated customer and her personal reputation and social status are well-known to demonstrate her credibility and accountability; and (iii) the relatively short term nature of the advance. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Group considers that the risks involved in the advance to the Borrowers are manageable.

The Group will finance the New Loan with the Group's general working capital.

REASONS FOR ENTERING INTO THE NEW LOAN AGREEMENT

Taking into account the principal business activities of the Group, the grant of the New Loan to the Borrowers is in the ordinary and usual course of business of the Group.

The terms of the New Loan Agreement were negotiated on an arm's length basis between HK Finance and the Borrowers. The Directors consider that the grant of the New Loan is a financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the New Loan Agreement were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Borrowers and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the New Loan Agreement are fair and reasonable and the entering into of the New Loan Agreement is in the interests of the Company and its Shareholders as a whole.
